

Virginia Department of Agriculture Update

3:30pm – 4:00pm

This presentation will provide a legal update for Virginia applicator certificate holders. Robert will address certification requirements, pesticide use requirements (the label is the law), accident and incident reporting requirements and pesticide application record keeping requirements. The intent of this presentation is to keep you certified; keep you applying pesticides legally; and to properly document those compliant applications that are made.

Presented By: Robert Christian, Virginia Department of Agriculture

Robert Christian is a Pesticide Investigator for the Virginia Department of Agriculture and Consumer Services (VDACS). He has been with VDACS for over 34 years and has been a Pesticide Investigator for over 31 years. In his spare time he enjoys watching soccer and walking.
